Nursing and Allied Health Department

Student Health Requirements

This form is to be reviewed by the Physician filling out the Physical Examination Form.

To enter into and complete any **Nursing and Allied Health Program** at Clovis Adult, students must be able to meet the following requirements:

Mental/Emotional

Students must have sufficient emotional stability to perform under stress produced by academic study and the necessity of performing patient care in real patient care situations while being observed by instructors and agency personnel.

Strength and Stamina

Students must be able to:

- Work at various clinical sites up to 8-12 hours per day.
- Attend theory classes up to 8 hours per day.
- Lift /transfer patients of various sizes and weights on to & off examination tables.
- Push, pull, lift, turn as in patient positioning, and manipulating equipment.
- Lift floor to waist.
- Walk up to 500 feet.
- Sit for prolonged periods.
- Stand for prolonged periods.

Flexibility

Students must be able to:

- Reach above shoulder height
- Bend over
- Crouch to stoop
- Twist/Pivot

Fine manipulation

Students must be able to:

- Manipulate ampules, syringes, and medication containers.
- Write legibly and enter data into computers using touch screens and keyboards.

Sensory abilities

Students must be able to:

- See well enough to read syringe graduations and medication labels.
- Hear well enough to receive information accurately over the telephone and to discriminate sounds heard through a stethoscope.
- Use all physical senses (hearing, seeing, feeling, and smelling) in a manner that allows the student to accurately assess the patient and clinical situation.

Pregnancy

Students must be able to:

- Provide a release from their OB doctor to be in the clinical setting with no restrictions.
- Have a ***monthly*** documented release that the student may *continue* in clinical with no restrictions

In addition to the above-mentioned requirements, students must have adequate management of chronic illnesses so that neither patients nor the student is at risk of harm.

Students must complete all required immunizations and the health screening to participate in any of the Nursing and Allied Health Programs.
